EDISON ELECTRIC INSTITUTE

INDEX TO 1934 EDISON ELECTRIC INSTITUTE BULLETIN VOLUME II

General Index

A

Accidents and Accident Prevention
committee organization, 407
Medals for Resuscitation, 247
retaining improvement in accident prevention, 225

"Accomplishments in Rural Electric Development by Alabama Power Company During 1932," 9

Accounting and Office Methods
"How to Increase the Usefulness of the Accountant in the Electric Light and Power Industry," by H. A. Wardenburg, 269
"How to Increase the Usefulness of the Accountant in the Public Utility Industry," by A. J. Kieffer, 331

"Additional Kilowatt Hour Sales from Air Conditioning," by C. E. Michel, 111

"Adjusting Operations to Present Trends," by J. L. Hecht, 203

Advertising
promotion, 53
"Reddy Kilowatt," 303

Air Conditioning
kilowatt hour sales, 111
Newark Show, 279

Alabama Power Company
new rates for domestic electric service, 4
rural electric development during 1932, 9

American Standards Association
approved electric welding standards, 27
report on rotating sectional machinery, 28
specifications for lodgepole pine and douglas fir poles, 64

Anti-Merchandising Law of Kansas, invalidation upheld, 98

Apparent inaccuracies in 1932 Census Figures on Municipal Plants, 77

Appliance Load, domestic, 1920-1933, 132

Ariel Dam Withstands Severe Flood, 284

Arresters *See* Lightning Arresters

B

Baker and Beck Opinion on Constitutionality of TVA Act, 385

Baking and Cooking Articles, bibliography, 59

Better Copy Contest winners, 174

Better Housing Program, 299, 363, 395
President McCarter Urges Participation, 328

"Better Housing Program," by C. E. Greenwood, 299

Better Light—Better Sight *See* National Better Light-Better Sight Bureau

Bibliography on Commercial Cooking and Baking Articles, 59

British Grid
bibliography, 384
engineering and operating features, 371
finances, 338
supply in Great Britain and the United States, 289

Byllesby, H. M., Prizes. *See* Prizes and Prize Papers

C

Cable circuits, 349

Cable entrances for underground transformers, interchangeable, 47

Canadian Electrical Association Prize Contest, 89

Century of Progress Exposition, electrical exhibits, 281

Changes in Cost of Living, 90

Chicago, possible power sites, 81

Circuits, ground return, shielding of, 27

"Coal, Water and Electricity," by T. G. LeClair, 81

Code *See* National Electrical Code

Coffin, Chas. A., Award. *See also* Prizes and Prize Papers
Power Companies Invited to Compete, 28

Commercial Cooking and Baking Articles, bibliography, 59

Commercial Lighting, 364

"Commercial Programs Gain Momentum," by C. E. Greenwood, 341

Committee appointments, 240

Committee personnel 1934-1935, 307

Committees
See also meetings and conventions
Accident Prevention, 407
E.E.I.-N.E.M.A. on Coordination of Insulation, 140
Electrical Equipment, 76, 138, 380
Industrial Power and Heating, 30, 62, 93, 142, 174, 222
Insurance, 91
Joint Committee on Plant Coordination, 409
Joint Coordination on Radio Reception, 164
Joint Subcommittee on Development and Research, 27, 92, 139, 254, 283, 349, 409
Operating, 133
Power Generation, 76
Prime Movers, 380
Prize Awards, 247
Sales, 165, 341
Transmission and Distribution, 76, 381
Wire Using Utilities Joint Committees, 283

Consolidated Gas Company Celebrates Fiftieth Anniversary, 390

Constitution of Edison Electric Institute, 130, 194

Constitutionality of TVA Act Questioned by Messrs. Baker and Beck, 385

Conventions
See Edison Electric Institute Conventions and Meetings and Conventions

Copper oxide varistors in reducing acoustic shock, 309

Cortelyou, George B.
Honored on 25th Anniversary of service with Consolidated Gas Company, 104

Cost of living, changes, 90

"Creature vs. Creator," by Hon. John H. Jackson, 206

Cutouts and fuses, standardization, 61

D

Damage to wood poles and cross arms caused by lightning, 43

Dame, Frank L.
See Obituaries

Davidson, J. F., reviews 1933 refrigerator activities, 7

"Dealer Coordination As an Aid in Load Building," by James E. Davidson, 209

Decision of Massachusetts Commission in Dismissing Petition for Rate Revision, 169

Definitions, electrical, 138

"Dinner at Eighty," by A. E. Clark, 278

Domestic Appliance Load—1920-1933, 132

Domestic electric rates
new plan, 102
new rates, 4

E

Edison Bust Acquired by Institute, 262

Edison Electric Institute
See also Meetings and Conventions
committee personnel 1934-1935, 307
constitution, 73, 194
elects president, 180
officers 1934-1935, 177

Edison Electric Institute Convention
Atlantic City Hotels, 134
information, 145
invitations, 135
plans being developed, 65
President's Address, 181
second convention, 177

Edison Electric Institute Medal for Resuscitation, 136, 247

Electric Cookery *See* National Electric Cookery Council

Electric Refrigeration Bureau
April sales, 216
Bureau to continue, 3
Chairman Davidson reviews 1933 activities, 7
country-wide sales in 1933, 35
February record, 120
first-quarter record, 167
record year is forecast, 74
winners in Holiday Display contest, 37
work discontinued July 1st, 250

"Electric Light and Power Industry at the Beginning of Another Year," by George B. Cortelyou, 1

"Electric Service for Oil and Gasoline Pipe Line Pumping," by W. H. Stueve, 38

"Electric Table Service Saves," by C. E. Greenwood, 33

"Electric Utilities Put Power Behind the Government's Better Housing Program," by C. E. Greenwood, 395

Electric water heaters, experimental conversion developments, 121

Electric welding standards, 27

Electric whipping machine, 76

Electrical advertising, promotion of, 53

Electrical definitions, 138

"Electrical Development Due to Private Initiative," by Wendell L. Willkie, 131

"Electrical Equipment Committee Rescinds N.E.L.A. Motor Starting Rules," by C. M. Gilt, 251

Electrical home, economics of, 241

"Electrical Industry and the National Electrical Code," by Alexander Maxwell, 391

Electricity Supply in Great Britain and United States, 289

"Employee Cooperation in Appliance Sales," by H. M. Sawyer, 399

Engineering and Operating Features of the British Grid, 371

Enlivening and Humanizing Electrical Advertising, 303

"Experimental Developments in Conversion Electric Water Heater Equipment," by E. A. Brand, 121

F

"Facing Competition," by T. K. Quinn, 195

Federal Housing Administration, 299

Fires in Transformer Oil Circuit Breakers, 19
method of extinguishing, 21

Flying Scotsman, 278

Fogarty, J. F., Elected President North American Company, 28

Forbes, B. C., Prize. *See* Prizes and Prize Papers

Fuses and cutouts, standardization, 61

G

General considerations in the use of neutral impedance, 92

Georgia Power Company adopts new rates for domestic electric service, 4

Gilchrist, James M., Award. *See* Prizes and Prize Papers

"Go to the People," by Frank McLaughlin, 357

"Government and Private Ownership," by Wendell L. Willkie, 329

Great Britain supply of electricity, 289

Ground return circuits, shielding of, 27

"Grounding and Electrical Wiring Systems," by Alexander Maxwell, 343

H

"How to Increase the Usefulness of the Accountant in the Public Utility Industry," by A. J. Kieffer, 331

"How to Increase the Usefulness of the Accountant in the Electric Light and Power Industry," by H. A. Wardenburg, 269

Hughes, George A., Award. *See* Prizes and Prize Papers
